**AUDITOR'S REPORT TO THE MEMBERS OF SHAHEEN INSURANCE COMPANY LIMITED
ON REVIEW OF CONDENSED INTERIM FINANCIAL REPORT**

Introduction

We have reviewed the accompanying condensed interim balance sheet of **Shaheen Insurance Company Limited** (the company) as at June 30, 2011, and the related condensed interim profit and loss account, condensed interim statement of cash flows, condensed interim statement of changes in equity, condensed interim statement of premium, condensed interim statement of claims, condensed interim statement of expense, condensed interim statement of investment income and notes to the accounts (here-in-after referred to as the "interim financial information") for the six-month period then ended. Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards, as applicable in Pakistan, for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim statement of claims, condensed interim statement of expenses and condensed interim statement of investment income for the quarters ended June 30, 2011 and 2010 have not been reviewed, as we are required to review only the cumulative figures for the six-month period ended June 30, 2011.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.
